

# Directions for cars/small vans to Organic Herb Trading

Butts Way, Milverton, Somerset TA4 1ND

Organic Herb Trading is located just outside the small village of Milverton in rural Somerset. To ensure we continue our good relationship with the local community, please drive carefully through village at no more than 20mph, taking particular care when you pass the village school.

**PLEASE NOTE: If you use a sat nav, do not follow the instructions for the last half a mile of your journey. They will take you onto a road called High Street, a dead end in which your vehicle will become stuck.**

If you are travelling via the M5, the simplest way to find us is:

- 1 Leave the M5 at junction 26 (Wellington)
- 2 At the roundabout, follow signs to Wellington
- 3 After half a mile you will reach a roundabout - take the second exit (Wellington)
- 4 After half a mile you will reach another roundabout - again take the second exit (Wellington)
- 5 At the second set of traffic lights in Wellington, turn right onto North Street - the B3187 (signposted to Milverton)
- 6 Follow the B3187 for 3.7 miles until you reach the village of Milverton
- 7 As you come into the village you will pass the entrance to the primary school on your left hand side. Take the next, sharp left-hand turn up Butts Way - if you reach the village shop you have gone too far
- 8 After half a mile you will see a large turning on your right hand side (look out for a large, white rock which marks the entrance) - take this turning and follow the track all the way to the end where you will find Organic Herb Trading.
